

MUGLESTON PITBULL FARM

To Whom It May Concern,

Seller guarantees pup to be delivered in good health, current on vaccinations, and free of Distemper, Parvo, Parainfluenza, and any life-threatening genetic defect. All puppies will have a current health certificate from a licensed veterinary clinic if being shipped on an airplane.

Puppies will be dewormed at the time of shipping or pick up, and a normal deworming should follow as recommended by your vet. At a minimum, 1st set of shots will be given along with several dewormings. Follow-up shots and dewormings are the responsibility of the buyer. Any pup that develops an illness related to lack of shots or deworming will NOT be replaced. It is the responsibility of the new owner to keep up with all vaccinations.

The purchaser agrees to follow up with a veterinary clinic within 2 weeks of receiving the pup. At that time, if it is determined the pup has any of the above or if the pup is found to have a genetic defect, the breeder will replace the pup. We do reserve the right to ask for a second opinion on any findings by the said vet. We also reserve the right to request medical records for review by our vet.

Purchaser agrees to provide a safe home for their new pup and will not use the pup for any illegal activity. If at any time, the purchaser is found to be using the pup for illegal activity, we reserve the right to regain possession of the pup without a refund. We do not tolerate dog fighting and WILL pursue legal action to regain rights to the pup.

If you are purchasing a blue-coated pup, you should understand that blue-coated dogs are more prone to skin and coat problems. This is simply the result of the blue coat coloring. We do NOT guarantee against skin or coat problems. We will not be held responsible for skin or coat problems that are common among dogs with blue coloring.

If at any time the purchaser can no longer provide for the pup, we will gladly accept the pup back. We do not want to see any of our dogs end up in shelters! By signing our agreement, you understand that if at any time you can no longer care for your dog, you will contact the breeder: MUGLESTON KENNELS

The breeder reserves the right to include our kennel name on the puppy registration paperwork. All puppies purchased from Mugleston Kennels must keep their original paperwork and papers and names cannot be illegally altered.

The buyer agrees and understands that any female purchased from Mugleston Kennels can not be bred before the age of 18 months. To do so is not only unethical, it is a breach of contract.

If any of our puppies require shipping, it is the responsibility of the buyer, not the breeder to pay for the shipping of the pup. We will however do what we can to help in finding a reliable and safe shipper for your puppy – but it is in the end the sole responsibility of the buyer.

NOTE: All puppies purchased are considered pets (no breeding rights) until all contractual obligations are fulfilled.

By signing this agreement, you understand what you have read, and understand that we do enforce this agreement 100%. You also understand that deposits are NON-REFUNDABLE and may only be transferred to another litter or puppy.
